KAREN KUSTER, Contracts Officer

AUTHORIZED SIGNATURE/DATE

STATE OF MONTANA - TERM CONTRACT
Standard Terms and Conditions

The following standard terms apply unless specifically stated otherwise within the term contract.

REFERENCE TO CONTRACT

The contract (Purchase Order) number MUST appear on all invoices, packing lists, packages and correspondence pertaining to the contract. Furnish all invoices in triplicate.

SHIPPING

Goods shall be shipped prepaid, F.O.B. Destination. In the event the terms specify F.O.B. Shipping Point, shipping charges will be prepaid and itemized as a separate line item on invoicing. Such shipments shall be via the least expensive way. The State reserves the right to refuse any C.O.D. delivery.

PAYMENT TERM

All payment terms will be computed from the date of delivery of goods OR receipt of a properly executed invoice, whichever is later. The State is allowed 30 days to pay such invoices.

TAX EXEMPTION

The State of Montana is exempt from Federal Excise Taxes (#81-0302402).

HAZARDOUS CHEMICAL INFORMATION

The contractor shall provide one set of the appropriate material safety data sheets and container label upon delivery of a hazardous chemical to the user agency. All safety data sheets and labels will be in accordance with the OSHA "Hazard Communication Rule", 29 CFR 1910 and 50-78-101 through 50-78-402 MCA.

VENUE

This contract is governed by the laws of Montana. The parties agree that any litigation concerning this bid, proposal or subsequent contract must be brought in the First Judicial District in and for the County of Lewis and Clark, State of Montana, and each party shall pay its own costs and attorney fees.

NON-DISCRIMINATION

The contractor must comply with the Montana Human Rights Act, the Civil Rights Act of 1964, the Age Discrimination Act of 1975, the Americans with Disabilities Act of 1990, and Section 504 of the Rehabilitation Act of 1973.

All hiring for goods and services purchased by this contract must be on the basis of merit and qualifications; there may not be discrimination on the basis of race, color, religion, creed, political ideas, sex, age, marital status, physical or mental disability, or national origin by the persons performing this contract.

The State of Montana does not discriminate on the basis of disability in admission to, access to, or operations of its programs, services, or activities. Individuals who need aids, alternative document formats or services for effective communications or other disability-related accommodations in the programs and services offered, are invited to make their needs and preferences known to this office. Please provide as much advance notice as possible for requests.

HOLD HARMLESS/INDEMNIFICATION

The contractor agrees to indemnify the state, its officials, agents, and employees, while acting within the scope of their duties as such, harmless from and against all claims, demands and causes of action of any kind or character, including the cost of defense, arising in favor of the contractor's employees or third parties on account of bodily or personal injuries, death, or damage to property arising out of services performed, goods or rights to intellectual property provided or omissions of services or in any way resulting from the acts or omission of the contractor and/or its agents, employees, subcontractors or its representatives under this agreement, all to the extent of the contractors negligence.

ACCESS AND RETENTION OF RECORDS

The contractor agrees to provide the Department, Legislative Auditor or their authorized agents, access to any records necessary to determine if the contract has been complied with. The contractor agrees to create and retain records supporting the services rendered (or goods delivered) for a period of three years after either the completion date of this contract or the conclusion of any claim, litigation or exception relating to this contract taken by the State of Montana or third party.

CONFORMANCE WITH INVITATION FOR BID/PROPOSAL

No alteration in any of the terms, conditions, delivery, price, quality, quantities or specifications of the order as established by quotation from the contractor, shall be granted without prior written consent of the Purchasing Bureau. Goods delivered which do not conform to the contract terms, conditions and specifications may be rejected and returned at the contractor's expense.

State agencies will place orders directly with the contractor during regular working hours. Orders may be placed by phone and will be confirmed with a written memo or purchase order. The agency will reference the term contract number on all purchase orders or correspondence pertaining to the contract.

DUPLICATING SUPPLIES

GENERAL

1. Sealed bids will be accepted by the Purchasing Bureau to establish term contract(s) for the purchase of duplicating supplies for the State of Montana, July 1, 1997 through June 30, 1999.
2. Bids will not be considered unless made on the enclosed forms.
3. Bidder and the State of Montana, Purchasing Bureau, agree that this contract may, upon mutual agreement and according to the terms of the existing contract, be extended in two year increments, up to four additional years. This extension is dependent upon legislative appropriations and in no case may this contract run longer than six years. Prices must remain firm for the initial two year period, but may be increased upon renewal if the new prices are acceptable to the State of Montana. If the new prices are not acceptable, the contract will be rebid.
4. Contractor will submit properly certified invoices and/or vouchers to the agency ordering goods and/or services. The State shall not honor drafts, nor accept goods on a sight draft basis.
5. Unless otherwise indicated in the bid, it is agreed that any item offered or shipped on this bid shall be new, of the most recent manufacture, and in first class condition, and that prices include standard commercial packaging.
6. Every six months, the successful term contract holder(s) shall furnish to the State of Montana, Purchasing Bureau, reports of term contract usage. Each report shall contain the product name, size, total quantity sold of each item and total dollars expended. Reported volumes and dollar totals may be checked by the Purchasing Bureau against state records for verification. Failure to provide timely or accurate reports is justification for cancellation of the contract and/or removal of the supplier from the responsible bidders list.
7. Agency shall immediately inspect all deliveries. Damage claims will be phoned to contractor and confirmed in writing, within 5 days. It is the responsibility of the contractor to replace damaged supplies at no cost to the State.
8. All deliveries are F.O.B. destination and shall be made within fifteen (15) days of the date of the Purchase Order. An additional seven (7) days will be allowed for back ordered items when proper notification is given in writing.
9. The State reserves the right to terminate any contract or portion thereof in accordance with the following:
 - a. In the event a contractor fails to perform in accordance with the terms of the contract, the contract shall be immediately terminated.
 - b. Supplying of a product does not perform to the needs of the State of Montana, shall constitute reasonable cause for immediate termination of that item.
Products failing to perform as required shall be returned and replaced at the sole expense of the contractor.

DUPLICATING SUPPLIES

10. All supplies must be compatible with equipment and processes being used by State offices.
11. If determination is needed on whether a malfunction is due to supplies or equipment, a technical representative must be available for consultation and review as directed by agency need. Where so indicated, substitutions will not be accepted.
12. This contract to establish pricing only. Agency need will determine actual usage.

GROUP I ELECTROSTATIC MASTERS

All masters packaged in crush proof containers. Run guaranteed for 500 copies or more. Must be compatible with A.M. duplicators and mastermakers, Davidson and A.B. Dick duplicators. DIA Fax Master compatible set out separately in section 5.

Masters Caliper .005 or more. Boxed 500 per box.

J. Oil base Inks

Tack Range 12 to 13 on Twing Albert Inkometer at 800 R.P.M.

Grind Specs - 5/0 on NPRI Grind Meter.

Laray Viscosity - 2000 gr. 150-160 P (average).
2000 gr. 200-240 P (average).

Gloss - Average 45-55.0 Gloss meter on Simpson label.

Set Time - Less than 10 minutes in open air.

Skin Time - 4 to 6 hours in open air, ink skin very flexible.

Press Stability - Less than 1 point increase per minute at 800 R.P.M.

These inks must be very hard drying. Must be able to rerun 2nd or 3rd color without set off. Must be able to run on coated stocks, including hi-gloss cover stocks without scratching. Cannot be left on press overnite.

Inks must be transparent or semi-transparent. Inks supplied must match Pantone matching system used throughout the United States. These inks must be able to mix together for matching purposes.
